## RETREAT HOUSE

21 to 23 November 2018

### Living in the Light of the Prophets

Led by the Revd Canons Jeni Parsons and Ian Davies

Living in the Light of the Prophets will be a time to reflect on our lives in the light of some of the Hebrew Prophets and find some renewed energy for action.

There will be a full programme of worship and times of exploration and of silence.

Jeni Parsons is a retired parish priest and now a smallholder in West Wales. She's also a left-handed Australian. The parishes she served in England were all in areas of social housing and it was there that she learned the path of the Hebrew Prophets in real life beyond academic study.

Ian Davies is Director of Ordinands for the Diocese of Swansea

and Brecon and also parish priest of St Barnabas, Waunarwlydd, Swansea. He is married to Sue, has a son Joel, married stepson Matthew and three grandchildren.
